Mission

Anticipate the client's requirements and to exceed their Expectations. Always provide quality service to our clients for a long term relationship.

Vision

Our vision is to be recognized as the most trusted and efficient FMCG exporter globally.

Business Strategy

We exports is owned and managed as a family business for the past 3.5 years. Our strategy is simple , we treat our clients as our guest and provide quality service in every way.

Where other supplier unable to maintain quality and proper quantity including complexity and multiple styles , we welcome the challenge of export to high quality and Optimum delivery time. Furthermore we provide complete start to finish service which includes:

- Fresh Fruits
 - Fresh Vegetables
 - Fresh Coconut
 - Indian Sella 11/21 Basmati Rice
 - IR 64 Parboiled Rice
 - Fresh and Froze Fish and Carcass Mutton
 - Peanut, Cashew and Black paper.
 - Indian Sugar ICUMSA-45 and Green Coffee beans.
- 

Sourcing

The importance of a strong supplier base for success in any industry is critical. Over the years, we have devoted great effort to building alliances with some of the most reliable Importer from Saudi Arab, UAE, Kuwait and many other Gulf countries, It is this direct relationship with our business partners that allows us to reduce costs as well as gives great control on the quality of our goods.

Logistics

Mumbai and Gujrat has one the busiest and most-advanced airport and largest sea container port in India. These ports have a wide network offering regular and flexible connectivity to key ports in Far Gulf and Europe.

Production

Our factory is equipped with the most advanced machineries. The Rice mill machines have been imported from Germany, with complimenting finishing equipments. This machine is producing 5 metric ton rice per hour. The machine is use to grinding, polishing, sizing, coloring, parabailing the raw paddy rice and furnished with sella 11/21 Indian basmati Rice. Mover system for better productivity and control. In addition to employing the latest technology, we believe in assigning the right person for the job. Both, the production as well as the quality team, are built of some of the most experienced and innovative people in the industry. We promote a culture of self-monitoring in our labor force which is key in achieving international quality standards along with high productivity.
